Directions:

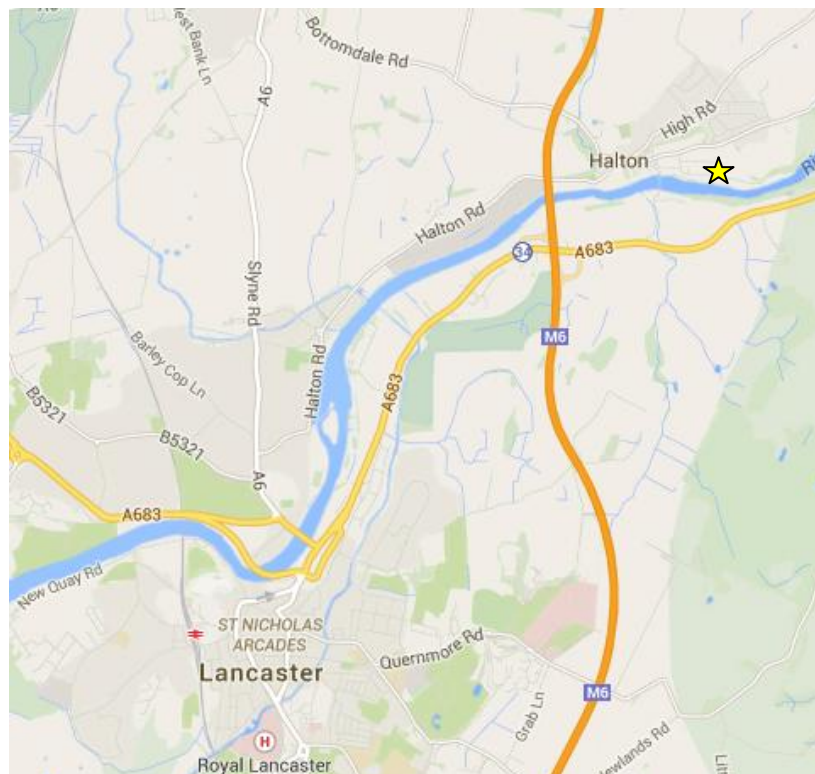

Halton Mill, Mill Lane, Halton

Lancaster, Lancashire LA2 6ND

Green elephant at Halton Mill - 07582 789406

Halton Mill is in the village of Halton, three miles north of Lancaster.

[Click here for Google map](#)

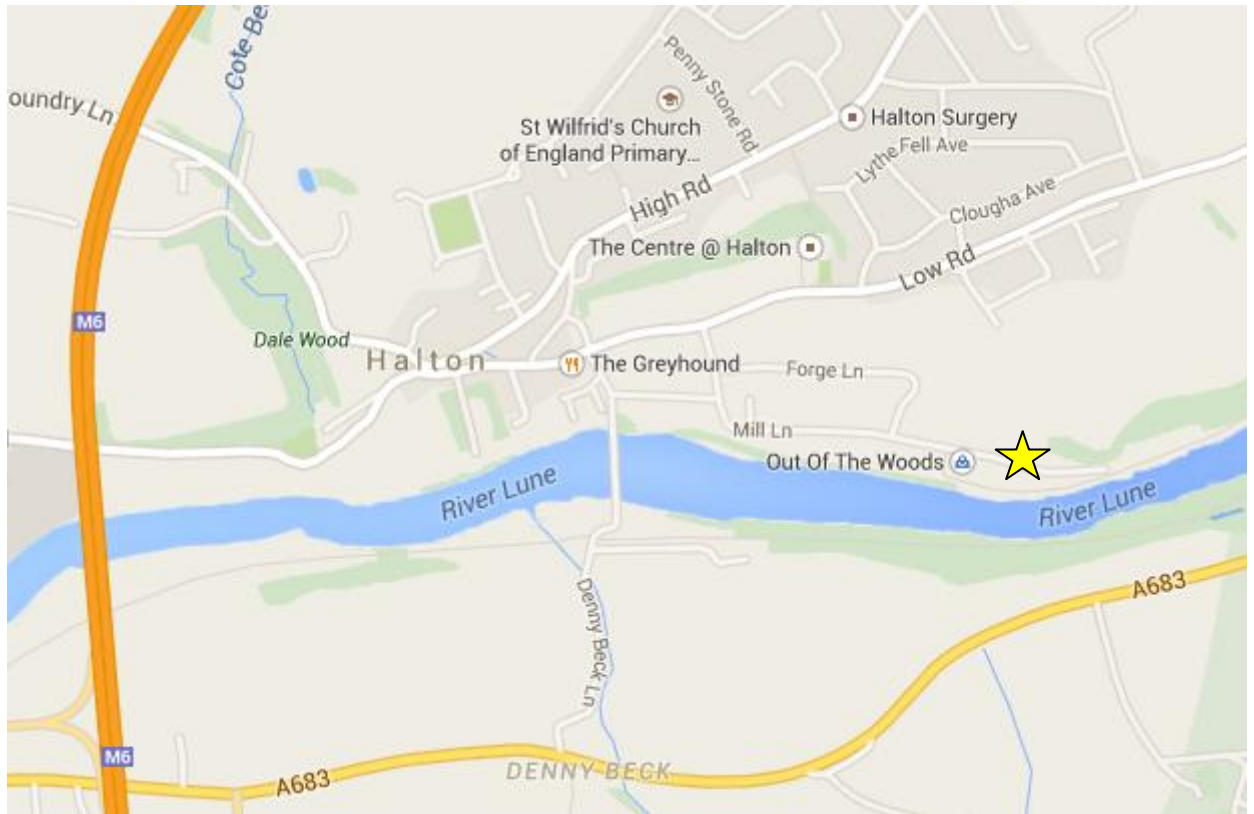

By bike - There is a well-lit cycle path from Lancaster

By bus – There are regular buses from Lancaster city centre which stop in the village, about ten minute's walk from Halton Mill.

By car - Exit 34 of the M6 is about a mile away – if you could let me know if you're driving as I will need to arrange parking permits.

If arriving on the train – if you can give me advance notice I can come and pick people up from the station (if you could arrive slightly early, this will allow me to do a couple of runs if needs be)

Location of Halton Mill
